Week 16	Safety Labs	Study Nurse	J. Torres
Week 16	Study Drug Accountability	Coordinator	Sarah Coordinator
Week 16	Vital Signs	Coordinator	Sarah Coordinator
Close-out	Adverse Event Review	PI/Sub-I	Dr. Patel
Close-out	End of Study Labs	Study Nurse	J. Torres
Close-out	Study Drug Accountability Final	Coordinator	Sarah Coordinator
Close-out	Study Drug Return	Coordinator	Sarah Coordinator
Close-out	Vital Signs	Coordinator	Sarah Coordinator

Protocol reconciliation note (not an authorization): The separate Schedule of Assessments contains additional required procedures or visit combinations not authorized by the supplied Delegation Log. Those are excluded from this delegation-verified table; site staff must obtain written PI-approved delegation before performing them. Screening medical history is assigned to Dr. Lawson as recorded in the Delegation Log, regardless of the conflicting protocol role suggestion.
