Component 2 | Protocol Visit Calendar

Enrollment dates taken from the participant roster; Week 4/8/12/16 and Close-out = enrollment + 28/56/84/112/140 days. All windows are target +/- 7 days.

Statuses reflect the supplied historical participant progress and template examples (not real-time completion as of November 2026). Values in corrupted/incorrect template date cells have been recalculated.
